

2024

Community Calendar

 **GREATER
DANDENONG**
City of Opportunity

January

Community photography

This year's calendar is filled with photos taken by our community. We wanted to see our city through your eyes, and received more than 193 individual photo entries. It was a tough decision but a judging panel narrowed the field down to the 12 finalists you see on the pages of this calendar. A competition for the 2025 Community Calendar has also been launched.

Visit greaterdandenong.vic.gov.au/photography-competition to find out how to enter for your chance to feature in next year's calendar.

 Abhijit Pal

 Dandenong Market

'Night time near Dandenong Market. I enjoy the quiet of the market area at night after seeing it bustling during the day.'

Living Sustainably

Sustainability is important because we are all responsible for protecting our planet. Living sustainably isn't about 'doing it all' – many small acts make a phenomenal difference in creating *Our Bright Green Future*.

📷 Maria Tsaimos

📍 Springvale

'With so many residents of Springvale being of Asian descent, festivals are a great way to celebrate their contribution to the area. The lion dancers are always such a highlight – vibrant and majestic in their movements, visually a delight to watch.'

March

Hazardous Waste

Batteries, gas bottles and other hazardous waste items are flammable and must never be put in any of your household bins. These items can cause fires in our trucks posing a significant health and safety risk to our community, waste collectors and processors.

For information on how to safely dispose of these items visit greaterdandenong.vic.gov.au/other-waste-and-recycling-options

 Cheryl Hepburn

 Dandenong Park

'The old Dandenong Park, corner of Foster Street and Princes Hwy has changed for the better. My boyfriend/fiancée and now husband of 32 years used to visit this garden regularly and enjoy a picnic dinner in the summer.'

Recycle it

Everything you recycle makes a difference.

Bottles, containers and packaging made from glass, aluminium, steel, hard plastic, paper and cardboard can all be recycled in your yellow lid bin. Recycling is the first step to capturing materials that can be used again and again. Everything you recycle saves earth's resources and protects our environment.

 Lachlan Thai (Age 14)

 Springvale Community Hub

'This is a photo of the Springvale Community Hub when the sun was going down. There is a full view of the sunset from here at the end of each day. The open garden design just makes it a really nice view in general.'

May

Food Organics and Garden Organics (FOGO)

We love your foods scraps and garden waste.

To have the best quality compost to feed our parks and open spaces, we need your help in making sure no bags including compostable and biodegradable, food stickers and packaging of any kind go into the green lid FOGO bin. Many of these items do not break down during the composting process, resulting in poor quality compost that cannot be used.

 Abigail Tivendale (Year 6)

 Dandenong Primary School

'Photograph was taken at the front of the school. These are new flag poles. The old ones were replaced in term 2.'

June

World Environment Day

On World Environment Day, 5 June, communities and countries around the globe are encouraged to think about how they can protect the environment. What can you do to reduce your impact? Could you buy less, use less or waste less? Could you recycle, reuse or repair more? What does your journey to a greener future look like?

Cheryl Lambert

Ross Reserve Sports Pavilion

'Art meets sport. We are so lucky to have such a funky modern building. Ross Reserve just keeps getting better and better.'

July

Plastic Free July

This month is known around the world as Plastic Free July and we challenge you to stop using one single use plastic item, or even go completely plastic free. Using reusable alternatives instead of disposable plastics are better for our health and for the environment.

David Vo

Stormwater drains are just for rain

Stormwater drains move rain water from roads, roofs and gutters through a systems of pipes that lead into our creeks and rivers and then to the bay and ocean.

This is how litter like cigarette butts, food and drink packaging dropped on the streets ends up in the ocean. Help us to keep it clean by putting your litter in the public bins, or take it home with you. Remember drains are just for rain.

📷 Reece Twyford (Year 5)

November

National Recycling Week

Join us for National Recycling Week on 11–17 November. Even the smallest recycling act can make a big impact when it comes to creating a sustainable future. Putting your recycling in the bin loose and not in bags means more of it can be turned into new things like park benches, cardboard boxes and even roads. Recycling in bags cannot be sorted because the bags can damage equipment at sorting facilities and present a safety risk to staff.

December

Merry Waste-less Christmas

Christmas is a great time to celebrate with family and friends, but it's also the season when we spend lots of money and create the most waste. A few small acts can make a big impact to the environment as well as your hip pocket.

1. Try reusable paper gift bags instead of wrapping and ribbons.
2. Think about alternatives to single use plastics such as reusable containers for homemade gifts.
3. Compost your left-over food or place it in your green lid FOGO bin.

 Thanh Tran

 Burden Park

'I came across this beautiful grevillea flower on my morning walk at Burden Park, Springvale, and had to take a photo.'

What goes in your bin

For translated fact sheets and more information on waste, recycling and garden waste, please scan the QR code.

Garbage

Think before you bin it

Yes, we accept these items in the red garbage bin:

Polystyrene

Ceramics and broken glass

Nappies

Bagged garbage

Food scraps

Garbage bins are emptied weekly (same day each week).

No syringes

No recyclables

No garden waste

No soil, bricks or rubble

No hazardous waste

Need to know your garbage day?
Visit greaterdandenong.vic.gov.au
or phone 8571 1000

Recycling

Keep your recycling loose

Yes, we accept these items in the yellow recycling bin:

Empty glass bottles and jars

Cardboard boxes and egg cartons

Newspapers, magazines, paper, envelopes and catalogues

Empty plastic bottles and containers

Clean foil, trays, empty aluminium, steel and metal lids

Milk and juice cartons

Recycling bins are emptied on the same day as your garbage bin, on the alternate week to your food and garden waste.

No syringes

No recyclables in bags

No garden waste

No soil, bricks or rubble

No hazardous waste

Food and Garden Waste

No bags, liners or packaging

Food and Garden waste bins are emptied on the same day as your garbage bin, on the alternate week to recycling.

Yes, we accept these items in the green garden waste bin:

Food scraps

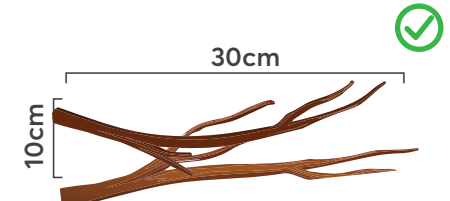

Grass clippings and weeds

Garden prunings

Flowers and leaves

Small branches

No stickers or rubber bands

No recyclables

No nappies

No garbage

No plastic pots

No soil or bricks

No bags

No animal waste

No packaging

Waste collection reminders

1. Make sure all bin lids are closed to prevent litter.
2. Bins must be no heavier than 80kg. If it's too heavy to wheel to the kerb, it's too heavy for the truck to empty.
3. Place your bins out after 4pm the day before your collection but no later than 5am on collection day.
4. Avoid parking in the street on collection day.
5. Additional bins are available on a user pays basis.
6. Report damaged or stolen bins to Council on 8571 1000. There is no cost to the resident for a replacement or repairs to the bin.

Say hello to your new customer portal

Now you can experience the convenience of managing your Council-related tasks and services online.

Keep it Clean

A cleaner Greater Dandenong is in your hands. Scan the QR Code or phone 8571 1000 to report dumped rubbish and littering. Please provide as many details as possible.

Helpful information includes:

The location of the dumped rubbish.

The date and time you saw the rubbish being dumped.

Any identifying details such as the vehicle make, colour and registration.

Snap Send Solve

Have you seen a problem or issue in the community that Council needs to know about? Why not Snap Send Solve it?

Snap Send Solve is the FREE app community members can use to report problems to Council. Just snap a photo of the problem, fill in the description and send it to us, come back to see the problem solved.

For more information and to download the app visit snapsendsolve.com

Not in any bin

Batteries, gas bottles and other hazardous waste items are flammable and must never be disposed of in any of your household bins. These items can cause fires in our waste trucks posing a significant health and safety risk to our community, waste collectors and processors.

Check the A-Z guide for information on how to dispose of these items safely via Council's website:

greaterdandenong.vic.gov.au/other-waste-and-recycling-options

Keep your recycling loose

Putting recycling in the bin loose and not in bags means more of it can be turned into new things like park benches, cardboard boxes and even roads.

Recycling in bags cannot be sorted because the bags can damage equipment at sorting facilities and present a safety risk to staff.

Recycling and Waste Recovery Centres

Your hard waste collection service

Sometimes you have waste that cannot go into any of your household bins or the hard waste collection. Many of these items can be recycled in other ways.

By recycling and recovering these waste items, you can reduce the amount of waste that is sent to landfill.

A to Z Waste and Recycling Guide

greaterdandenong.vic.gov.au/other-waste-and-recycling-options

Download this guide to help you sort your waste items correctly. Scan the QR code to find a list of specific items with the correct waste service, event or program.

Recycle mate

recyclemate.com.au

Go to the website or download the app to find out where to recycle or dispose of a wide range of waste items near you.

Recycling Near You

recyclingnearyou.com.au/materials

Go to the website to find out where to recycle or dispose of a wide range of waste items near you.

Greater Dandenong does not have a Council owned transfer station or recycling centre. There are waste and recycling centres near Greater Dandenong that residents can use. Many items are accepted free of charge, while some may incur a small fee. Recyclable items such as cardboard and batteries can usually be dropped off free of charge at most centres.

It is always best to check first to confirm the opening hours and whether there are any fees involved.
