

Greater Dandenong City Council

Summary of Initial and Biannual Personal Interests Returns

Council Officers and Delegated Committee Members – September 2024 -February 2025

Under section 134 of the *Local Government Act 2020* a specified person must lodge a biannual personal interests return with the Chief Executive Officer containing matters prescribed by the *Local Government (Governance and Integrity) Regulations 2020*. Biannual personal interests returns must be lodged by specified persons twice yearly by the end of each prescribed period. The prescribed periods are from 1-31 March and 1-30 September each year. A specified person includes the Chief Executive Officer, a member of a delegated committee or a nominated officer (a member of Council staff who is nominated by the Chief Executive Officer because of their role or who has a statutory or delegated power, duty or function).

Further, the Chief Executive Officer nominated additional staff positions on 1 March 2024. These new nominated positions are included in this list (as are any new staff employed after 1 March 2024). Under section 133 of the *Local Government Act 2020* a specified person (which includes nominated officers by the Chief Executive Officer) must lodge an initial personal interests return with the Chief Executive Officer containing matters prescribed by the *Local Government (Governance and Integrity) Regulations 2020*.

Under section 135 of the *Local Government Act 2020*, the Chief Executive Officer must prepare a summary of the personal interests information disclosed in the last personal interests return lodged. This summary must be made available on Council's Internet site and must be available for inspection at Council's office.

The following provides the categories under which all details must be disclosed on a personal interests return form as required under section 8 of the *Local Government (Governance and Integrity) Regulations 2020*. This also provides a key to the following summary table.
