

MAKE SOME INSECTS

AN EXAMPLE:

1. cut out wings / head / body

2. decorate using markers / pencil / paint pens anything you can find!

3. stick the pieces together

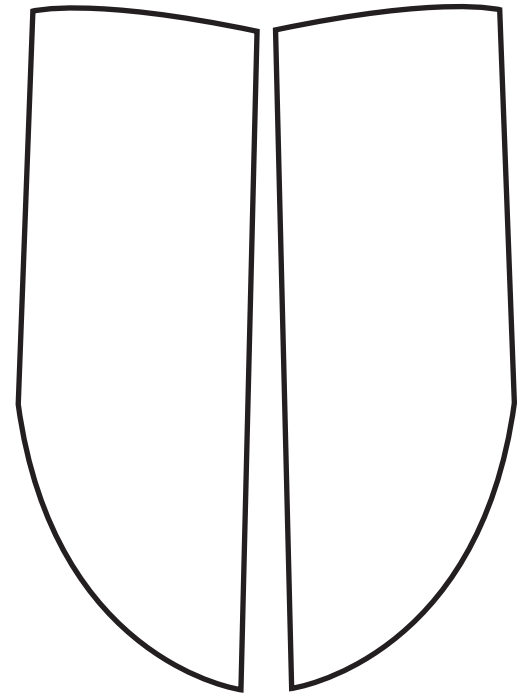

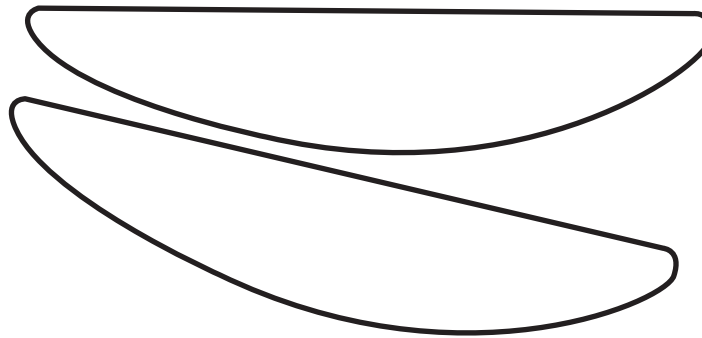

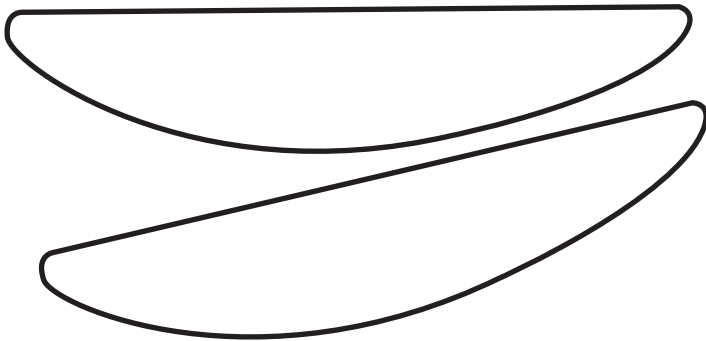

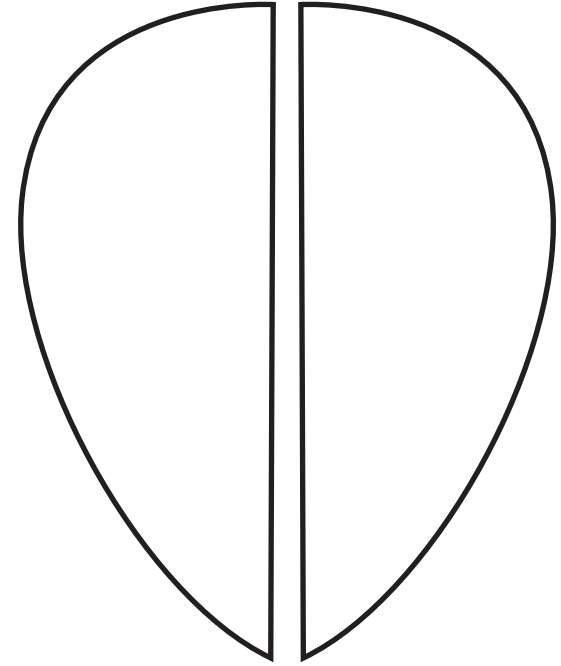

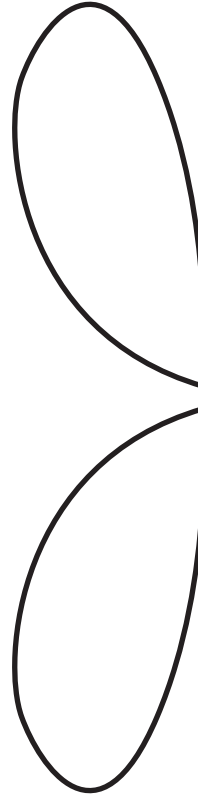

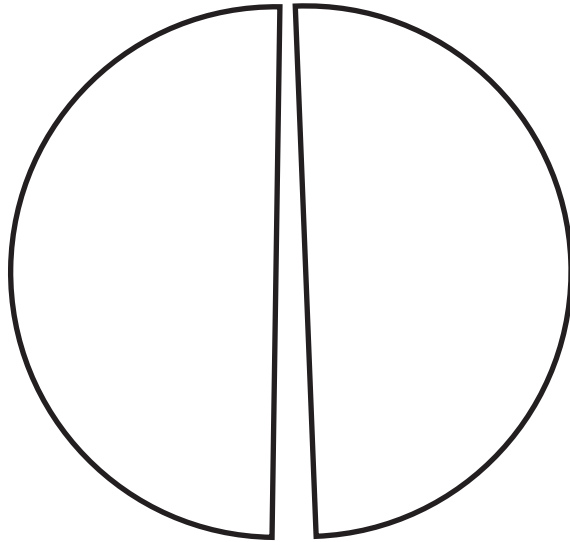

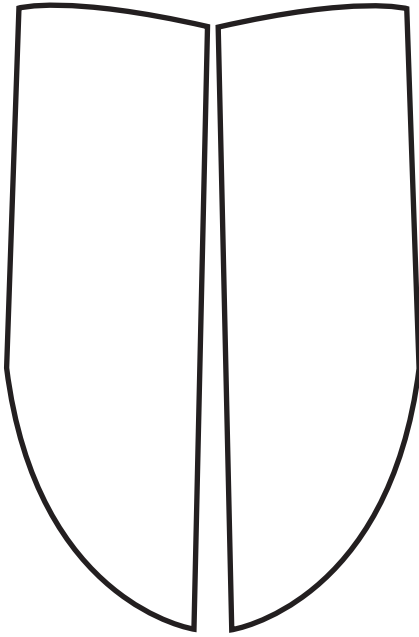

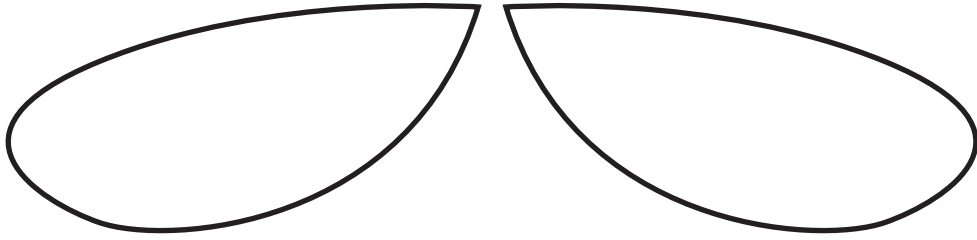

Add your legs or antennae

See how many different insects you can make!

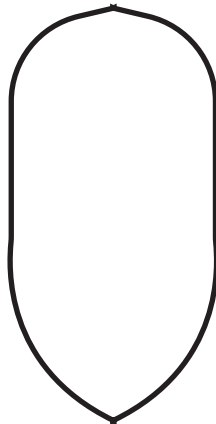

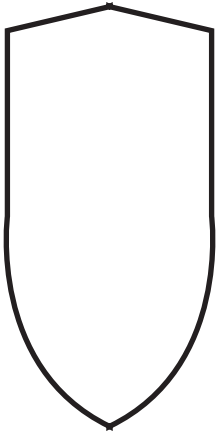

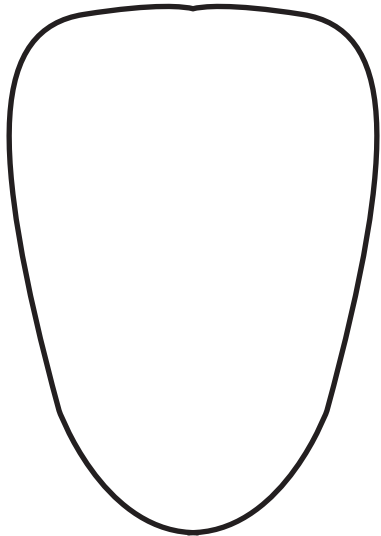

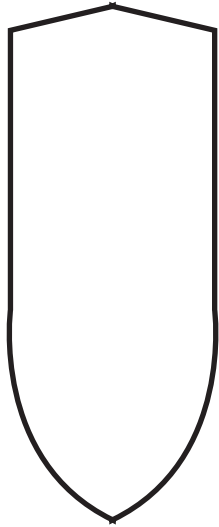

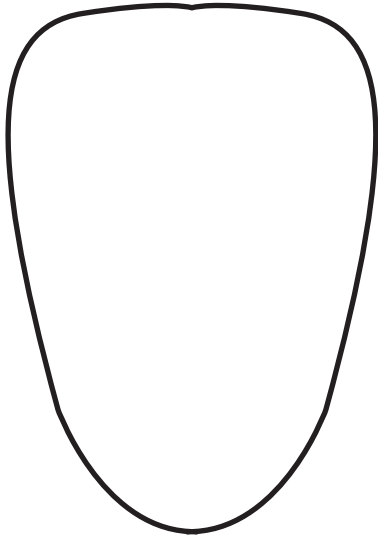

IMPORTANT: When you have finished your creations, please email or text me some photos of your creations, so I can make sure they are included as part of the mural. EMAIL: hello@beciorpin.com or TEXT: 0401 212 215

THANK YOU AND HAVE FUN :)
