

CONSTRUCTION UPDATE

SPRINGVALE BOULEVARD PROJECT
DECEMBER 2021

The Springvale Boulevard Project will see a full upgrade of the road and footpaths located on Springvale Road between Balmoral Avenue and Windsor Avenue.

What we've done so far

Since our last update we have:

- completed Stage 1, Centre Median Works
- completed site investigations to better understand the ground conditions before we start major construction
- commenced drainage works and have almost finished Stage 2A focussed on the Windsor Avenue intersection.

Stage 2B and 2C Drainage Works

Once works have been completed on Stage 2A, focussed on the Windsor Avenue intersection, drainage works will begin up the western side of Springvale Road.

Works will start at the Windsor Avenue intersection and work north up Springvale Road towards Balmoral Avenue.

Christmas holidays shutdown period

The project team will be taking a break over the Christmas and New Year period. The last day of work will be on Friday 24 December with works beginning again on Monday 10 January 2022.

Windsor Avenue intersection

From 9pm Sunday 5 December to 5am Monday 13 December 2021, access to and from Windsor Avenue from Springvale Road will be temporarily closed.

For the safety of workers, Windsor Avenue will be closed to complete public lighting and traffic signals works as part of Stage 2 of the project.

Drivers will be detoured via St James Avenue and Buckingham Avenue to access Windsor Avenue.

Changed traffic conditions

During the drainage works there will be changes to traffic conditions, however there will always be two lanes in each direction. Please be aware and look out for signage and traffic controllers.

During the Christmas break there will be no road closures.

Parking

Parking bays along Springvale Road will be temporarily unavailable to allow the project team to conduct the works safely.

Parking is available at the 'Number 8' Balmoral Avenue multi-deck carpark and in Warwick Avenue.

Working hours

Most of our works in December will be day works and undertaken between 7am and 5.30pm Monday to Friday.

Occasionally, night works will take place between 6pm and 6am, Sunday to Thursday.

Keeping you informed

We will continue to distribute regular construction updates to impacted traders, business owners and residents in the area to keep you up to date as construction progresses.
