CENTRAL DANDENONG

Hemmings St, Dandenong Tree planting works

Greater Dandenong City Council is undertaking streetscape improvement works along Hemmings Street and Weller Street, Dandenong.

This tree planting project will build upon the recent streetscape improvement works that have occurred at the Hemmings Street shopping centre and adjacent car park.

Along Hemmings Street, there will be the removal and replacement of 61 trees and the planting of 25 additional trees. Weller Street will have 10 trees removed and replaced with an additional 6 trees planted.

The works are expected to be undertaken from late April to the end of May 2022.

This streetscape improvement project is part of the Hemmings Street Precinct Action Plan, supported by funding from the Victorian Government's Department of Justice and Community Safety.

	REPLACEMENT POWERLINED SIDE		REPLACEMENT NON POWERLINED SIDE	
HEMMINGS STREET	Acer Campstre 'Evelyn'		Acer Truncatum x A. Platanoides 'Keithsform' norwegian sunset'
