## **Section 6**

# Schedule of Fees and Charges

## 6. Schedule of Fees and Charges

The City of Greater Dandenong provides a range of services to the community. Some of these services have an associated fee or charge levied. Services funded by fees and charges provide enhanced community wellbeing.

This section presents the fees and charges of a statutory/non-statutory nature which will be charged in respect to various goods and services during the 2022-23 financial year.

Fees and charges are based on information available at the time of publishing and may vary during the financial year subject to any changes in Council's policy or legislation.

**Note** – The contract fees and charges for Council's leisure and aquatic facilities will now be managed separately by Council's wholly owned entity, South East Leisure from 1 July 2022, as part of its budget process and have been removed from Council's Fees and Charges schedule in 2022-23.

### **Goods and Services Tax (GST)**

The current GST status of goods and services provided by Council is shown in this Schedule against each item. It is indicated in the right-most column on each page, as follows:

- **Y** - GST applies and is included in the amount shown
- **N** - GST does not apply to this good or service

The GST status of Council's fees and charges is determined in accordance with relevant provisions of *A New Tax System (Goods and Services Tax) Act* and rulings issued by the Australian Taxation Office.

The GST legislation deems that Council's fees and charges are to include GST (taxable supply) unless they are identified for specific exemption from GST.

This determination under section 81-5 of the GST Act identifies those Council fees and charges that are exempted from GST. The application of GST to the Fees and Charges schedule is therefore based on current Australian Taxation Office (ATO) legislation including this determination.

Council may be required to further amend the GST status of specific fees and charges when the ATO approves and issues further legislation or regulations. The impact of further ATO amendments may therefore require Council to alter prices in this Schedule to reflect changes in the GST status of particular goods or services.

Deposits, when initially paid, do not attract GST. If part or all of a deposit is retained, due to damage to a hall, for example, GST is then applicable. If the deposit does not cover the full (GST-inclusive) charge, the extra amount will be requested of the hirer.

### **Basis of fee**

While many of the fees and charges in the Schedule are set at Council's discretion, a number are established by a range of external bodies such as Government Departments or professional organisations. In the column headed "Basis of Fee", an indication is given of the body responsible for determining the price. The following legend explains the abbreviations:

- CNCL - Greater Dandenong Council
- REG - Regulation associated with the relevant Act, or the Act itself
- CON – Fees determined based on the requirements of Contract Agreements

### *REG – Regulatory/Statutory fees*

Where fees are set by Government statute, Council has no ability to alter the fee. The statutory fees and charges disclosed in the following schedule are current at the time of preparing this report, however, they are subject to change during the financial year. Council is required to apply the revised statutory fees and charges from the advised effective date. Where relevant, prior year comparative statutory fees have been updated to reflect the correct statutory fee for the relevant financial year.

### *CON – Contract fees*

The contract fees and charges are determined based on the requirements of the specific management/contract arrangements in place between Council and the Managing Agency. The Management Agreements that exist between Council and the Managing Agency state that the pricing policies and fees charged for the facility will be developed and agreed between Council and the Managing Agency and will form part of their business plan. Fees charged for the use of facilities are fees of the Managing Agency, they are not fees of Council. As the fees and charges are under a contract arrangement, they are subject to change during the financial year.

### ***Refund policy***

Refund of the following fees and charges are subject to conditions as detailed below:

#### *Pet registration*

*(for fees set out under the heading 'Pet registration')*

## City Planning, Design and Amenity

### Building and Compliance Services

#### Building Permits and Services

Includes examination and surveying of plans and specifications of building work during course of construction and issuance of relevant certificates. The fees are payable upon lodgment of the building application. The fee schedule indicates the basis for charging in most instances. Fees are set to reflect the cost of performing the service.

The following costs apply in addition to the basic fee schedule: assessment of performance solutions, protection works and applications for reporting authority consents are charged on a cost recovery basis. All permit fees do not include building inspections, the number of inspections are determined as required by the Building Act and Building Regulations. Additional inspection fees apply for additional inspections over the number of invoiced inspections.

## Parking infringements

Council has elected to set the penalty for this offence at the maximum allowable under state legislation, which is 0.5 penalty units. The dollar value of a penalty unit has now been indexed by State Government and is subject to annual review. Council is not able to accurately predict the penalty amounts and therefore does not publish them in this document. Current information can be obtained from the Department of Justice – Infringements Oversight Unit.
