

REDUCING SINGLE USE PLASTIC WASTE IN GREATER DANDENONG

Problematic single use plastics (including polystyrene) are being phased out in Greater Dandenong for groups using Council owned or managed land and buildings. Swap out the following plastic items for reusable or non-plastic alternatives instead.

BAGS

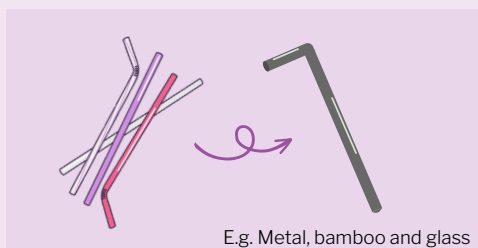

PLATES AND BOWLS

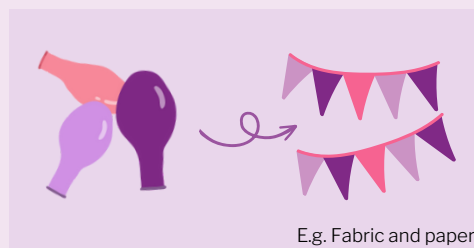

STRAWS

Straws should be made available on request to persons with physical or medical requirements.

BALLOONS

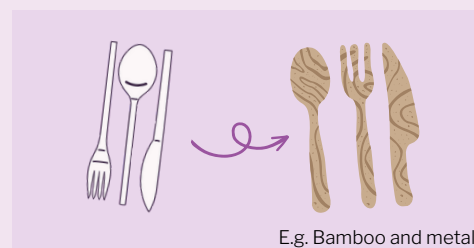

This includes all foil and rubber types.

TAKEAWAY FOOD CONTAINERS

CUTLERY
